

Clock Dial Options

72MHz, Bluetooth® Low Energy,
and Power over Ethernet Platforms

Reflect the style and personality of your facility on the dials of your Primex clocks with our selection of dial options. These alternative numeral styles with coordinating hands are available on all 9" (22.6cm), 12.5" (31.75cm), and 16" (40.6cm) analog clocks.

Custom Logo Dials

Thanks to our custom dial options, you can now choose to display your organization's logo on any Primex Analog Clock dial. Please note that a one-time set-up fee also applies. Ask your Primex representative for more information about our clock and custom dial options.
