**Smart-Sync™ Education Series**

For any customer who requires time synchronization, the Bluetooth® wireless technology solution is an uncomplicated, easy to install, product that continually and automatically recreates its own network. Competitively priced, Smart-Sync™ clocks with Bluetooth Wireless Technology are available solely through Primex, the sync time leader, and our certified partner network.

- Smart-Sync clocks ‘wake up’ once daily
- Clocks synchronize time via Smart-Sync Bridge
- Clocks form network based on strongest signal to another clock or the Smart-Sync Bridge
- If one clock fails, other clocks will ‘find their way home’ to the strongest signal
- Smart-Sync Bridge reports clock status to OneVue
- OneVue accessible via PC or mobile devices
- One-year warranty on Smart-Sync Education Series analog clocks
